Company Profile

Brooke Patrick Publications is a business-to-business publisher of magazines, e-mail bulletins, websites and yearbooks in the fields of construction, mining, the built environment, equipment, power and water

Our Mission

To provide our readers with information that improves their business performance and ultimately the bottom line. Information that makes money and saves money, through investigative and research based reporting that leads to efficiencies, opportunities and technologies being highlighted.

This creates trusting relationships between the titles and their readers, which provides advertisers with credible and receptive audiences.

Our Vision

To continually improve on the business intelligence available to businesses in these industries throughout the African continent, thereby enhancing personal and business performance in Africa, for Africa!
